CAFÉ FOTTER

WELCOME TO THE LECTURE ROOM F

CAFÉ FOTTER

A PORTION OF COFFEEHOUSE CULTURE IN GRAZ THAT'S RICH IN TRADITION

As one of the oldest coffee houses in the city, for more than 80 years now the Fotter had stood out for its nostalgic charm and genuine cosiness, maintaining them since its renovation and redesign. Not far from the University of Graz, "Lecture Room F" is evocative of days long gone, despite its fresh, modern features inside, along with the romantic rose garden, all inviting you to linger. Freshly made coffee and croissant perhaps? Tea or maybe rather cocoa with whipped cream, accompanied by home-made cake? Breakfast, lunch or tasty snack? The Fotter can offer temptations appropriate for any occasion, all they long.

GOOD TO SEE YOU!
