

CAFÉ FÖTTER

# CAFÉ FÖTTER

A TRADITIONAL PIECE OF CAFÉ  
CULTURE IN GRAZ

As one of the oldest café in the city, “Fötter” has captivated visitors with its nostalgic charm and genuine coziness since 1936 and has preserved this character even after renovations and redesigns.

Not far from the Karl Franzens University, "Lecture Hall F" recalls days long gone, despite its fresh, modern elements. Old bakery furniture, the mirror lounge, and the romantic rose garden invite you to linger.

Freshly brewed coffee and a croissant? A glass of tea or a chai latte with a slice of homemade cake? Breakfast, lunch or a savory snack? “Fötter” offers the perfect temptation for every occasion.

NICE TO HAVE YOU!
